Day 3

CAMEL POLO

Arrival and Briefing

Guests arrive and have time for refreshments before they change into their special camel polo shirts and chaps. They then receive a full safety briefing.

Training

The training will consist of the polo mallet swing and technique for hitting the ball together with tuition on how to successfully ride and steer the camels. This is a great introduction to interaction with the camels and is a key part of the activity - as well as being amazing fun.

After this players will be equipped with all of the skills necessary to battle it out “on the hump” in the final chukka!

Game

Depending on the numbers, we will split guests into respective groups and play the final matches. Each camel will have one participant sitting in front of the hump and steer whilst his or her team-mate will sit behind the hump and hit the ball - which will in effect be a football sized ball for more achievable results.

Each camel will be accompanied by a trainer on foot who will have a lead rein attached to the camel. However, he is only there for assistance and is in no way allowed to interfere with the play – so no cheating!

Awards Ceremony

An awards ceremony can be staged and can be designed to be humorous or more formal. Prizes for best, worst, or in between can form part of the ceremony.

Timing

Depending on the weather and time of year, Camel Polo takes place in the early morning or late afternoon, to ensure the quality of play for participants and camels alike. It is a great energizer and start to the day, and we recommend a morning session followed by a casual or elegant lunch.

Duration

The duration of the game will be between 1 to 3 hours depending on the number of players, the time of year and the time of day so we are fair to the Camels, and to the participants!

Skill Level

No prior equestrian or camel riding experience is necessary. The activity is great fun for all ages.

Includes

Welcome Juices, water, Tea & Coffee

Trained Camels with Professional Staff

Designer Camel Polo shirt

Equipment, including helmets, chaps, mallets, and balls

Designer Camel Polo Shirt

The event can be held at either Dubai Polo and Equestrian Club or Desert Palm.

La Perle Show Dubai

La Perle is an unforgettable experience that you do not want to miss out on. Creating an unprecedented immersive production that can only be delivered in a purpose-built theatre, the show marks an iconic milestone for live entertainment in Dubai and the region.

These often gravity-defying performers will mesmerise as they dive into an on-stage pool or fly through the air, creating a visually captivating experience both below and above stage level.

La Perle has the highest production credentials, starting with creator and producer of the show, Franco Dragone, who is one of the most sought-after artistic directors in the world. Dragone is internationally renowned for reinventing the genre of theatre and changing the face of live entertainment in Las Vegas. Some of his most celebrated shows in the last decade include Celine Dion- A New Day, Le Rêve (Las Vegas) and The House of Dancing Water (Macau).

Dinner at Babiole Restaurant

Set on the 44th floor of the Westin Dubai Al Habtoor City, is Babiole. The chic Mediterranean restaurant is one of three of new outlets in the space – sitting alongside sports bar The 44 and nightclub Dome.

Of the three, Babiole is by far the most elegant, so if you're looking for a dinner date, this is the one to book.

We arrive early enough for a pre-dinner drink and take a seat on the terrace, which is a delight in cooler months. It has a wide-ranging view across Business Bay and Downtown Dubai, with the Burj Khalifa looming large.

Day 4

Experience life as a Bedouin nomad, making a life in Dubai's unforgiving desert. See how these people herded, hunted, camped, and thrived in the ultimate cultural safari.

'Bedouin' stems from 'Bedu', the Arabic term for a 'desert dweller'. While most people in ancient times settled near rivers, the Bedouin chose the freedom of the open desert. Here, they relied on their ingenuity and grit as they overcame the harsh climate.

Your journey starts in the morning, as you're driven out to the Dubai desert (in air-conditioned comfort). Then, you'll leave your modern amenities and mount a camel. Ride the "ship of the desert" for half an hour, until you arrive at your destination: a nomadic Bedouin camp, presenting a glimpse into authentic Bedouin life.

You'll be greeted in traditional fashion, with rose water, Arabic coffee, and dates. Explore the village, constructed of traditional woven goat hair, wood, and stones; a tribute to the resourcefulness of the nomadic people. You'll have the chance to meet and chat with Bedouin storytellers, pet farm animals, get up close with the Arabian hunting dogs called Saluki's and learn about Bedouin-style hunting, and how the deadly combination of falconry and Saluki dogs became their main means of hunting. You will also be able to watch the world's fastest animal in flight in a spectacular falconry presentation.

Our Guides will explain how to prepare your own traditional Arabic meal called Foul Medames, complete with traditional Arabic Ragaag bread and luqaimat, a delicious dessert, all the while enjoying the traditional dances performed by young local Bedouin. In authentic Bedouin style, breakfast will be served on a large platter on the floor so you can enjoy this fun and social tradition.

See how Land Rovers, first introduced in 1948, transformed Bedouins life, as they could finally trade, explore and survey the vast desert areas with ease. Climb aboard a vintage Land Rover into the Dubai Desert Conservation Reserve for a wildlife safari, stopping and seeing how the native flora and fauna were used for survival.

After your morning cultural experience, air-conditioned cars will return you to modern Dubai, the next chapter of the Bedouin life.

Ras Al Khaimah Ritz Carlton Al Wadi

Just north of Dubai, The Ritz-Carlton Ras Al Khaimah, Al Wadi Desert invites guests to connect with nature and culture amid the beauty of a 1,235-acre protected preserve. The resort's Experience Concierge can arrange a desert trek on camel- or horseback, a private archery lesson or an evening of stargazing. And luxury villas, inspired by Bedouin architecture, feature private outdoor pools and breathtaking desert views.

Flavors and dishes from the Middle East and India are offered buffet-style and a la carte at this all-day dining restaurant. The space mixes modern and Arabian design styles, Lunch at Kaheela Restaurant.

Private check in at the Resort.

Falcon Show and Dinner

INTERACTIVE FALCON SHOW

With a variety of birds of prey, including the falcon, desert eagle owl, barn owl and the Harris hawk, the reserve's team of experienced falconers will guide you through an interactive show and flying display. This is the chance to witness the majesty of the falcons as they soar through the sky, a true relic of the bedouin culture and history, in addition to a national treasure. The show is also an opportunity to learn more about the bedouin falconry culture, experts on hand to answer any questions. Suitable for the whole family, the falcon show is a must experience activity.

DINE LIKE THE BEDOUINS

Go back hundreds of years to experience authentic Bedouin life for the evening, with dinner on the warm sands of the Ras Al Khaimah desert. You can choose from an array of menus including barbecue, seafood and vegetarian options. Enjoy a traditional barbecue comfortably settled in a low-seating Arabic majlis on a sand dune under the night sky.

We drive in class once again to Waldorf Astoria – Dubai Palm Jumeirah

Overnight at the Ritz Carlton Al Wadi

Day 5

Breakfast in the hotel

Optional activities at the resort or enjoy the Private Pool Villa

Evening Dinner at **Farm House** - Inspired by a rustic farmhouse, this light-filled restaurant focuses on wild meats, homegrown vegetables and other fresh ingredients. A Whiskey Lounge specializes in handcrafted cocktails.

Day 6

Breakfast in the hotel

The Departures Hall offers 225 check-in desks with state-of-the-art 42 inch plasma screen providing bilingual displays of flight information and also guiding passengers to the desired check-in counters.
