

HYGIENE AND SAFETY REQUIREMENTS DURING LIVIKO DISTILLERY FACTORY TOUR

- For safety reasons, The Liviko Distillery is equipped with camera surveillance throughout.
- Participants of the Liviko Distillery factory tour must be 18 years of age or older.
- I am aware that I am not permitted to move around on Liviko's territory and production facilities without an accompanying person.
- I am aware that it is not permitted to eat, drink, smoke, chew gum in the production facilities.
- I am aware that I shall undertake the obligation to follow hygiene requirements: I shall wear special clothing, wash and disinfect hands, tie long hair and remove hanging jewellery when in the production facilities.
- I am aware that I shall undertake the obligation to perform safety requirements: I shall observe and follow safety marking, I shall not touch equipment or products with my hands, I shall pay attention and take care when passing the equipment required in the production process (e.g. when passing the ladders, hoses on the floor etc).
- I am aware that it is not allowed to bring personal belongings (handbags, backpacks etc) to the production facilities and such items shall be stored in lockers.
- I am aware that photographing and filming is not permitted in the production facilities.
- I am aware that it is not permitted to attend the Liviko distillery factory tour in the state of intoxication.
- I confirm that as far as is known to me I have not been ill with contagious diseases during the past week.
- I confirm that I have not been ill with tuberculosis, salmonella, dysentery or typhoid fever during the past year.
- I am aware that the tour guide of the Liviko Distillery tour has the right to remove a visitor from the factory tour or not allow them to the production facilities if the visitor ignores the rules.

Hereby I confirm that I have read the Liviko Distillery hygiene and safety rules.
