WORLD EXPOS OVER TIME

BE PART OF HISTORY

The world's longest-running and largest mega-event attracts more visitors than the FIFA World Cup and the Olympic Games. World Expos are hosted every five years in cities around the world and have wowed audiences since their inception in London in 1851.

The six-month festival celebrates human brilliance and achievements in the fields of architecture, technology, innovation, music, arts and more. Past World Expos have seen innovations such as the mobile phone, X-ray machine and the ice cream cone revealed to the world for the first time.

EXPLORE THE EXPO
2020 PAVILIONS

192 country pavilions as well as thematic and landmark pavilions will feature interactive exhibits, live entertainment, history and cultures, quirky hangouts and plenty more.

THEMATIC PAVILIONS

From the world's most renowned architects and creative teams behind blockbuster movies, our thematic pavilions bring the Expo sub-themes to life through experiences never seen before.

OPPORTUNITY PAVILION

The Opportunity pavilion aspires to engender empathy in visitors to trigger a desire to act to create a better world.

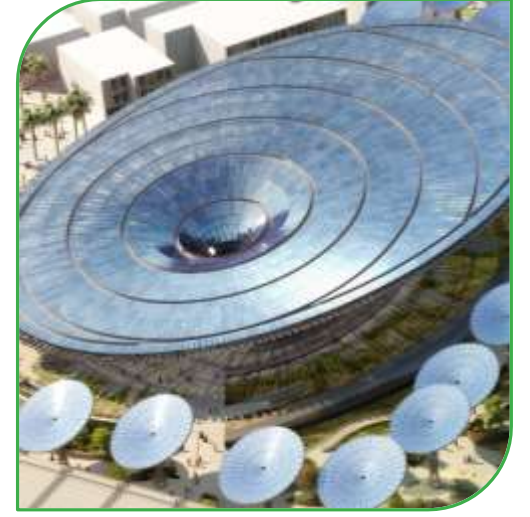

The visitor experience is based on a series of gameplay moments that will **challenge the visitor's thinking** on issues related to basic needs of water, food, and energy by simulating environments of real life individuals who are agents of change in their own communities.

MOBILITY PAVILION

Proceed to the House of Wisdom in ninth-century Baghdad before you head on to meet nine-metre-tall historical giants of Mobility.

Wow moments designed by storytellers behind some of the top productions in the world such as **"Lord of the Rings"** and **"The Hobbit"**.

SUSTAINABILITY PAVILION

Creating its own electricity and water, this pavilion features global projects that are creating new paths for sustainability.

Visitors tiptoe underneath a dense forest as the roots communicate with one another and dive into ocean depths to meet a Giant Fish disturbed by ocean pollution.

COUNTRY PAVILIONS

- OPPORTUNITY
- MOBILITY
- SUSTAINABILITY

Navigate the universe with the world's first astronomers at the Australian pavilion, talk to aliens in the Chinese pavilion and take a glance at the future of air travel in the year 2071.

AUSTRALIA
Navigate the universe with the world's first astronomers, and explore a diverse land built on 60,000 years of innovation. Learn about Australian optimism, ambition and creativity.

AUSTRIA
Austria is a nation reimagining ideas. This is reflected in its decision to use 9,000-year-old soil to build its pavilion. The 38 shiny white cones are inspired by the Arab model of wind towers.

CHINA
As one of the largest pavilions at Expo 2020 Dubai, China will symbolise hope and a bright future. The pavilion artistically integrates the Chinese elements with modern technologies.

COMOROS
Experience the magic of Comoros. Come play with humpback whales, rare turtles and the famous coelacanth, one of the rarest fish in the whole world. Smell ylang-ylang, the flower that revolutionized perfume.

AZERBAIJAN
The nature-inspired pavilion, which has a leaf-shaped roof will encourage visitors to consider the impact of their individual choices and invest in the future to restore balance to our natural world.

BAHRAIN
Experience density as you walk through artisan elements including live weaving stations. Take a first-hand look at innovative craft technologies while enjoying exceptional Bahraini cuisine.

CZECH REPUBLIC
View new technology that promises to transform a desert into an oasis. The pavilion will also boast a large-scale installation that shows the nation's long history of glassmaking.

DJIBOUTI
The Djibouti Pavilion introduces the country as the Land of Trade and Meeting, a hub for transportation and logistics, and a future leader in technology and economy.

BELARUS
The Belarus pavilion creates a forest experience highlighting lessons that humanity can learn from the natural world. It showcases how nature and technology can help us grow together.

BELGIUM
Covered in lush greenery, the arch-inspired pavilion is designed to demonstrate a green and smart Belgium. Don't forget to treat yourself to Belgium's world-famous fries known as frites.

DP WORLD
Centered around a five-storey waterfall installation to inspire and reflect, the DP Pavilion creates an immersive 270-degree experience showing the transformative power of data in how we live and work.

EMIRATES
Experience the Future of Commercial Aviation in UAE's Centennial Year 2071. A technically advanced, must-see opportunity to learn, experiment and engage with future technologies and innovations in air travel.

BRAZIL
Given that the world's largest river runs through Brazil, it's no surprise that the pavilion incorporates water as its most striking feature, evoking the Amazon basin in the Dubai desert.

CANADA
Canada tells the story of its past, present and future in a 360-degree immersive theatre. Discover the values that drive the Canadian spirit of innovation and collaboration.

FINLAND
The Finland Pavilion resembles an Arabic tent made of snow. Inside the 'Snow Cape', visitors will discover the country's natural beauty and find a peaceful haven full of surprises.

FRANCE
The pavilion explores light as an enabler of progress, a vehicle for connections and a source of heat and creativity. It will feature Claude Monet-inspired solar panels and interactive light displays.
