A MICE EXPERIENCE

Ortygia - your event in one of the most beautiful UNESCO heritage sites

WELCOME TO PALAZZO ARTEMIDE

Palazzo Artemide, a historic hotel in Ortygia, is housed in an ancient late 19th century building adjacent to the Cathedral, the center of the city of Syracuse and a masterpiece of Sicilian Baroque.

The hotel, founded in 1880, is nestled between the Cathedral and overlooks Piazza Minerva, which continues into Piazza Duomo.

The hotel has a strong Sicilian character, with the same limestone used for Greek temples and Baroque palaces, the traditional 'secret' courtyards inherited from Arab architecture, the small roof garden, balconies in all the rooms and the unique tuff vaults of the restaurant.

ROOMS

Finely furnished, the 40 rooms and suites of Palazzo Artemide are characterized by soft colours and fine details. Intimate and finely furnished, all of them enjoy a beautiful view, either of Piazza Minerva or the characteristic Via Roma.

MEETING SPACES

Athena Room is a meeting space that unites history and contemporaneity by still preserving the archaeological finds dating back to the 7th century BC.

The room can accommodate up to 80 attendees, and it is suitable for business meetings and other occasions.
