Green Globe and Level 3 Swisstainable certified for both properties

Environment

We minimize damage to the environment, as energy consumption and contamination. Human Resources

Human Resources

We do not consider religion nor culture as a criterion. Health and accident prevention are a priority

Water Efficiency

Since 2016, all sinks in the rooms have flow-limiting aerators. And since 2017, all bathrooms have been equipped with energy-efficient shower heads. The water consumption per customer decreased by 24% between 2015 and 2022

Waste Management

"Zero Plastic Use" program set up in 2022. "Too Good to Go" program to avoid food waste.
